The News of Business

In Dress Buying DIMINISHED activity characterized the commercial paper market yesterday. Relatively few new bills flowed into the market, and, on the other hand, the banks were not eager bidders for bills. Dealers nomand Runs to Quality on the other hand, the banks were not eager bidders for bills. Dealers thought that perhaps banking arrangements in connection with the Rather Than Quantity; payment yesterday of the third instalment of Federal taxes accounted Cloak and Suit Market for the smaller demand. Although timid in making predictions because of the unprecedented conditions obtaining in the market, they anticipate easier money conditions as a result of the Treasury's new borrowing programme. The market in commercial paper was quoted at 514 to

When Do You Want Your Merchandise?

Every garment in our Ready-to-Wear Department is ready for immediate delivery. You don't have to ask "when can we get it"-we deliver when you want it. And now, when good merchandise is scarce delivery is the thing.

At the moment our lines include some very remarkable values in

Dresses, Coats, Suits, Skirts and Leather Coats

-styles and fabrics that Dame Fashion says will set the "style pace" for fall and winter. For instance, the leather coats in the display are veritable gems of style and durability. And suits-there's no house in New York or elsewhere that can show our styles or duplicate our prices.
